Putting the POWER back into PowerPoint Presentations!

Course Description:
You've probably witnessed a bad one…you may have even made a questionable one. In this course, learn to make creative, informative, and effective PowerPoints that will leave your audience interested, engaged, and envious of your presentation skills. We'll also look at projects students can create using PowerPoint to enhance their learning.

Dates:	September 19 and 26
Time:	8:00 am-4:30 pm

Credit: 1.0
Cost: Free
Instructor: Adam Gelman
Location: East Middle School
Room Aud-1

Toys for your Classroom!

Course Description:
Google is not just another search engine. Google offers a multitude of terrific tools that can be used to enhance both teaching and learning.   The tools are powerful, user-friendly, and FREE! In this course, discover how Google's free tools can radically transform your classroom.

Dates:	September 15, 17, 22, 24, 29
Time:	4:00 pm-7:00 pm

Credit: 1.0
Cost: Free
Instructor: Adam Gelman
Location: East Middle School
Room Aud-1

Teaching and Learning with

Course Description:
Come learn about the educational side of YouTube and find out how you can easily create videos that can help students learn the content being covered in your classroom.
